# FAQ

Products (<https://products.groupdocs.app/>)

Support

Websites (<https://websites.groupdocs.app>)

## 1 How can I annotate a document?

First, you need to upload a file: drag & drop your file or click inside the white area to choose a file. Then you will be redirected to the [About \(https://about.groupdocs.app\)](https://about.groupdocs.app) annotation application.

## 2 How fast can I start adding annotations to a document?

The annotation app works fast. Typically it takes a couple of seconds to open a document and prepare it for adding annotations.

## 3 Is it safe to annotate files using free GroupDocs Annotation App?

Of course! The preview files will be available instantly after the file uploaded. We will delete the uploaded file after 24 hours.

## 4 Can I annotate documents on Linux, Mac OS, or Android?

Yes, you can use the free GroupDocs Annotation on any operating system that has a web browser. Our Annotation App works online and does not require any software installation.

## 5 What browser should I use to annotate documents?

You can use any modern browser to annotate documents, for example, Google Chrome, Microsoft Edge, Firefox, Opera, or Safari.

## Powered By

GroupDocs.Annotation for .NET API
